

1. 

A grid of 10 rows of empty boxes for writing answers. Each row contains 20 boxes. The first row is for the question number, and the remaining 9 rows are for the answers.

19

A 10x10 grid of squares. The grid is composed of 10 rows and 10 columns. The squares are colored in various shades of gray, including white, light gray, medium gray, and dark gray. The pattern of colored squares is irregular, with some rows having more colored squares than others. For example, the first row has 10 dark gray squares, while the second row has 10 light gray squares. The third row has 10 medium gray squares, and the fourth row has 10 dark gray squares. The fifth row has 10 light gray squares, and the sixth row has 10 medium gray squares. The seventh row has 10 dark gray squares, and the eighth row has 10 light gray squares. The ninth row has 10 medium gray squares, and the tenth row has 10 dark gray squares.
