|--------------------------------------------------------------------------------------------------------------------------|--------------------------|--------------------------------------------------------------------------------------------|
|                                                                                                                          |                          |                                                                                            |
| if your here in 2021, ur a legend.                                                                                       | ur=you're<br>legend      | <a href="https://youtu.be/cmICuzn_mqI"><u>https://youtu.be/cmICuzn_mqI</u></a><br><br>2011 |
| If someone is still here, I just want to say, you're a legend, still here after all these years, you truly are a legend. | <br><br>                 |                                                                                            |
| 9 years and still fresh comments?                                                                                        |                          |                                                                                            |
| Am I the only boy who LOVES nightcore?                                                                                   | LOVES loved<br>loves<br> |                                                                                            |

|                                                                                                                                                                               |                                                      |                                                                                     |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------|-------------------------------------------------------------------------------------|
| If you made it here in 2022, you're a mad lad and an absolute god                                                                                                             | ladgod                                               |                                                                                     |
| If you remember this you're not old..<br>You are high quality vintage                                                                                                         | high quality vintage                                 |                                                                                     |
| let's face it everybody relistening here never really "ended" their nightcore phase, it was kind of just put on hold for a couple years.                                      | let's face it=let's be honest<br>put on hold<br><br> | <a href="https://youtu.be/O6NvsM49N6w">https://youtu.be/O6NvsM49N6w</a><br>20122014 |
| This song is like a diamond<br>A song that will never break in history                                                                                                        | <br><br>>>                                           |                                                                                     |
| Welcome back, you've grown quite a lot ever since the last time you were here.                                                                                                |                                                      | <a href="https://youtu.be/cyW2ajAVyfA">https://youtu.be/cyW2ajAVyfA</a><br>20122014 |
| Welcome back soldier, mind staying here for a bit? Sit down and remember the good old times, miss them? Me too.                                                               | soldier<br>Y^Y^Y^Y                                   |                                                                                     |
| Mad Respect to everyone who came to this video after years                                                                                                                    |                                                      | <a href="https://youtu.be/cvalgq5j2Q8">https://youtu.be/cvalgq5j2Q8</a><br>20112012 |
| the fact this was uploaded in 2011 but the comment section is still active.<br>Humanity really is great sometimes.                                                            |                                                      | <a href="https://youtu.be/hjGZLnja1o8">https://youtu.be/hjGZLnja1o8</a><br>2011     |
| Made in 2001. Recession.<br>Posted in 2008. Recession.<br>2020. Recession.<br>When the world is screwed up, the only foundation we have left to go back to is Caramelldansen. | <br><br><br>                                         | <a href="https://youtu.be/zvq9r6R6QAY">https://youtu.be/zvq9r6R6QAY</a><br>20012008 |
| The fact that Caramella is still replying to these comments after over 16 years is genuinely shocking and impressive                                                          |                                                      |                                                                                     |
| It's beginning to look a lot like 2016, Everywhere you go                                                                                                                     |                                                      | <a href="https://youtu.be/dv13gl0a-FA">https://youtu.be/dv13gl0a-FA</a>             |

[illegible]

Diagram illustrating a sequence of horizontal bars of varying lengths, likely representing a sequence of values or a process. The bars are arranged in a descending staircase pattern. Labels include '2' above the top bar, '1' and '1.5' next to bars on the right, and '10' below the bottom right bar. An ellipsis '...' indicates the sequence continues.
